

Muscatine County Conservation

Summer Nature Camps 2024

Registration begins April 1 for Summer Nature Camps!

A signed registration form and payment are required to reserve a spot at camp.

All camps meet at the Environmental Learning Center. Camps may include outdoor exploration, hikes, games, stories, crafts, and a lot of fun! Campers should bring a reusable water bottle and wear sturdy shoes (no flip-flops please) and clothes that can get wet and muddy. Snacks are provided for camps that are longer than an hour in length. Refunds are only given if we have to cancel camp.
